SilverStone Technology Ltd. (USA) offers 1 year warranty on all new power supplies in the following series:

Element 500W & below, Strider 500W & below, Strider Essential

GENERAL WARRANTY TERMS & CONDITIONS:

WARRANTY LIMITATION OF LIABILITY: SilverStone Technology's sole liability for any defective product is limited to the repair or replacement of the product at our sole discretion. Under no circumstances whatsoever will SilverStone Technology Co. be liable in any way for any damages in connection with any product or its sale, purchase, or use including but not limited to loss of data, loss of business, loss of profits, loss of use of the product or incidental or consequential damage whether or not foreseeable and whether or not based on breach of warranty, contract or negligence, even if SilverStone Technology Co. has been advised of the possibility of such damages. In no event shall our liability (whether under the theories of breach of contract or warranty, negligence or strict liability) exceed the purchase price paid for the item.

Warranty Period: Length of warranty on power supplies in the following series: Decathlon, Element 550W & above, Gemini, Nightjar, Olympia, SFX, Strider 550W & above, Strider Gold, Strider Plus, Zeus is standard, 3 years from the date of purchase. Length of warranty on all other power supplies is 1 year. The warranty period will be determined by date of purchase shown on sales receipt. Replacement products will be warranted for remainder of the warranty period or thirty days, whichever is longer.

Who is Covered: Warranty will be honored with proof of original sales receipt or invoice provided by authorized distributor/reseller to the original purchaser. SilverStone will not service units without legitimate proof of purchase.

What is Covered: All power supplies with defects in material and workmanship for the warranty period.

What is NOT Covered:

1. Any product on which the serial number has been defaced or removed. TAMPERING WITH OR REMOVING THE SERIAL NUMBER VOIDS ALL WARRANTY AS DOES ANY DIS-ASSEMBLY OR OTHERWISE TAMPERING WITH THE PRODUCT.
2. Damage, deterioration or malfunction resulting from, but not limited to:
 - a. Repair or attempted repair by someone other than a SilverStone certified technician.
 - b. Accident (such as dropping or spilled liquids), misuse, abuse, neglect, fire, water, lightning or other acts of nature.
 - c. Unauthorized product modification or usage not in accordance with product instructions.
3. Use of parts and components not supplied by SilverStone Technology Co.
4. Normal wear and tear.
5. Product damaged during shipping.

Warranty Repair / Replacement:

1. SilverStone Technology Co. may repair or replace the defective product or furnish a refurbished product that is not new but has been functionally tested.
2. All power supplies should be sent back to the place of purchase if it is within 30 days of purchase, after 30 days, customers should send the power supply to the closest SilverStone Technology office.
3. During warranty period, customers are responsible for shipping the defective power supply back to SilverStone for repair or warranty

exchange. SilverStone will ship the power back to customer free of charge.

4. Upon receipt, items will be inspected for serial number, tampering or misuse. **DIS-ASSEMBLY OR TAMPERING WITH THE PRODUCT VOIDS ALL WARRANTY.**
