Installation instruction

1. The RA02 is intended to be used in conjunction with SilverStone desktop product with rackmount mounting holes designed for the RA02. This product may not work with other cases.
2. Support: please refer to our website for the full list of supported cases.
3. The main function of the RA02 is to aid in securing your SilverStone desktop products to a rack storage, please DO NOT make RA02 as the sole supporting structure for the whole case, you should still use a rackmount tray or sliding rail to help with weight support
